shows; often inundated with larceny, deceit, injuries, and death. Exam years of hands on real stories of theft, fraud and the Fast and Fraudulent scene and what can be done to identify problem areas; recover stolen vehicles and parts; identify fraud; save lives; prevent injuries and protect property. This internationally recognized expert has researched every angle of this scene packing pages with facts, investigative techniques and solutions. Over a decade of hands on investigations and requests for training on this scene prompted this book. With testimonials including such praises as: "Mike Bender's presentation concerning the direct link between Street Racing and Auto Crimes is without the doubt the most comprehensive available world wide. Mike's direct knowledge and enthusiasm is very evident in the first minutes of his presentation. As a long time auto crimes investigator and a drag racer I can attest

that Mike's program is filled with current and accurate information. This class is a must for any street officer, auto theft investigator or insurance investigator." A must read for Law Enforcement, Auto Theft Investigators, Insurance Companies, Fraud Investigators, Parents and Educators... To view chapter content and learn more about the fatal consequences of illegal street racing go to: <http://protectourstreets.org> and click on the book.
