*Revolutionizing Education in America* Doris Leclerc Ball, PhD 2011-08-23 The TOTIL method of education will help your child learn twice as much from kindergarten through high school. It's easy to understand and even easier to implement. TOT stands for "time on task," and IL stands for "independent learning." By focusing on these two key areas, your child can be home-schooled to become better at math, English, and advanced subjects. He or she will be able to write, research, and think better when it's time to enter college. Dr. Doris Leclerc Ball, a retired teacher and psychologist, spent more than forty years perfecting the TOTIL method. In this guidebook, you'll discover • the critical importance of learner-centered education; • the obsolete nature of most teachers and how to replace them; • the simple curriculum and materials your child needs to succeed; • many other insights on how to help your child learn. Your child can master the knowledge and skills necessary to compete at the highest

levels for grades, jobs, and more. It begins with a roadmap for Revolutionizing Education in America.

*Senders* Elena Former 2017-03-02 Experienced Waldorf ring Spanish language teaching to bright light in this invaluable book. Rich with imaginative ideas on how to help students learn the language and hear the culture woven into the language is the gift of this book. Poems, songs, games, and vocabulary building stories are some of the treasure trove offered in this good book! Foreign language teaching is challenging in America where English is the only language we hear in most areas. To open the hearing of students to listen for the rhythms, the music, and the meaning in Spanish is the goal of the good teachers who wrote this book for us.

*Modern Spanish Grammar* Christopher Pountain 2004-06-01 Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume.The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context \* expressing likes, dislikes and preferences comparing objects and actions.All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.
