Chilton Labor Guide 2010 CHILTON 2009-12-31 Chilton's editors have carefully crafted the latest edition of the famous Chilton Labor Guide CD to bring you the most accurate repair information available. The 2010 edition provides repair times for 1981-2010 import and domestic vehicles. Chilton's editors consider warranty times, component locations, component type, the environment in which technicians work, the training they receive, and the tools they use when calculating a labor time. To allow for vehicle age, operating conditions, and type of service, the Chilton 2010 Labor Guide provides standard and severe service times, plus OEM warranty times. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards. In addition, the CD-ROM offers a helpful parts list that simplifies adding parts to your estimate or work order, a keyword search engine, and a calendar feature which allows users to quickly locate work requests by day, week, and month. Chilton's labor times are so trusted, even a competing publisher uses them!
