She cast a spell on millions more viewers as Sabrina, the Teenage Witch. Now, in *Melissa Explains It All*, Melissa tells the frank and funny behind-the-scenes stories from her extraordinary past and her refreshingly normal present. Melissa has been entertaining audiences most of her life; when there were no girls named Melissa on her favorite show, the forceful four year old decided she'd get on television her way. From that moment on, Melissa has shown a singular determination and focus—whether it's for booking three national commercials so her dad would build her a tree house or for nailing the audition for Clarissa. From her first commercial to her current starring role in ABC Family's hit *Melissa and Joey*, Hart never let fame go to her head. She always had one foot in Hollywood and one foot in reality—and still does. Melissa makes us laugh along with her as she talks about: --guest appearances in shows like Saturday Night Live and The Equalizer --auditioning for Punky Brewster and Clarissa --her early Broadway days --wacky parties she's thrown and attended -- the actors who influenced her and whom she befriended, worked with and competed against --her experiences both on and off-set—with Sabrina's Salem the Cat and Elvis the Alligator on Clarissa --how she met the love of her life at the Kentucky Derby

Crux Jean Guerrero 2018-07-17 A daughter's quest to understand her charismatic and troubled father, an immigrant who crosses borders both real and illusory—between sanity and madness, science and spirituality, life and death PEN America Literary Award Winner • “Expressive and affecting . . . deeply researched and tightly written . . . Crux, at its heart, is [Jean] Guerrero's love letter to her dad.”—NPR
Throughout Jean Guerrero's childhood, her father, Marco Antonio, was an erratic and elusive presence. A self-taught genius at fixing, creating, and conjuring things—and capable of transforming himself into a shaman, dreamcaster, or animal whisperer in his enchanted daughter's eyes—he gradually began to lose himself in his peculiar obsessions, careening wildly between reality and hallucination. In time, he fled his family and responsibilities—to Asia, Europe, and eventually back to Mexico. He succumbed to drug- and alcohol-fueled manias, while suffering the effects of what he said were CIA mind-control experiments. As soon as she was old enough, Jean set out after him. Now a journalist, she used the tools of her trade, hoping to find answers to the questions he left behind. In this lyrical, haunting memoir, Jean Guerrero tries to locate the border between truth and fantasy as she searches for explanations for her father's behavior. Refusing to accept an alleged schizophrenia diagnosis at face value, she takes Marco Antonio's dark paranoia seriously and investigates all his wildest claims. She crisscrosses the Mexican-American border to unearth the stories of cousins and grandparents and discovers a chain of fabulists and mystics in her lineage, going back to her great-great-grandmother, a clairvoyant curandera who was paid to summon spirits from the afterlife. As she delves deeper and deeper into her family's shadowy past, Jean begins mirroring her father's self-destructive behavior. She risks death on her adventures, imperiling everything in her journey to redeem her father from the underworld of his delusions. In the tradition of engrossing family memoirs like *The Liar's Club* and *The Glass Castle*, Crux

is both a riveting adventure story and a profoundly original exploration of the human psyche, the mysteries of our most intimate relationships—and ourselves. “[Guerrero] writes poetically about borders as a metaphor for the boundary of identity between father and daughter and the porous connective tissues that bind them.”—The National Book Review

Chapter Two

Wildflower Drew Barrymore 2016-05-17 Actress Drew Barrymore shares funny, insightful, and profound stories from her past and present—told from the place of happiness she's achieved today—in this heart-stirring New York Times bestseller that *InStyle* called “deeply thoughtful and fun.” *Wildflower* is a portrait of Drew's life in stories as she looks back on the adventures, challenges, and incredible experiences she's had throughout her life. It includes tales of living in her first apartment as a teenager (and how laundry may have saved her life), getting stuck under a gas station overhang on a cross-country road trip, saying good-bye to her father in a way only he could have understood, and many more journeys and lessons that have led her to the successful, happy, and healthy place she is today.

This Will Only Hurt a Little Busy Philipps 2019-10-22 A hilarious, heartfelt, and refreshingly honest memoir and New York Times bestseller by the beloved comedic actress known for her roles on *Freaks and Geeks*, *Dawson's Creek*, and *Cougar Town* who has become “the breakout star of Instagram stories...Imagine I Love Lucy mixed with a modern lifestyle guru” (*The New Yorker*). There's no stopping Busy Philipps. From the time she was two and “aced out in her nudes” to explore the neighborhood (as

her mom famously described her toddler jailbreak), Busy has always been headstrong, defiant, and determined not to miss out on all the fun. These qualities led her to leave Scottsdale, Arizona, at the age of nineteen to pursue her passion for acting in Hollywood. But much like her painful and painfully funny teenage years, chasing her dreams wasn't always easy and sometimes hurt more than a little. In a memoir "that often reads like a Real World confessional or an open diary" (Kirkus Reviews), Busy opens up about chafing against a sexist system rife with on-set bullying and body shaming, being there when friends face shattering loss, enduring devastating personal and professional betrayals from those she loved best, and struggling with postpartum anxiety and the challenges of motherhood. But Busy also brings to the page her sly sense of humor and the unshakeable sense that disappointment shouldn't stand in her way—even when she's knocked down both figuratively and literally (from a knee injury at her seventh-grade dance to a violent encounter on the set of *Freaks and Geeks*). The rough patches in her life are tempered by times of hilarity and joy: leveraging a flawless impression of Cher from *Clueless* into her first paid acting gig, helping reinvent a genre with cult classic *Freaks and Geeks*, becoming fast friends with Dawson's Creek castmate Michelle Williams, staging her own surprise wedding, conquering natural childbirth with the help of a *Mad Men*-themed hallucination, and of course, how her Instagram stories became "the most addictive thing on the internet right now" (Cosmopolitan). Busy is the rare entertainer whose impressive arsenal of talents as an actress is equally matched by her storytelling ability, sense of humor, and sharp observations about life, love, and motherhood—"if you think you know Busy from her Instagram stories, you don't know the half of it" (Jenni Konner). Her conversational writing reminds us what we love about her on screens large and small. From "candid tales of celebrity life, mom life, and general Busy-ness" (W Magazine), *This Will Only Hurt a Little* "is everything we've been dying to hear about" (Bustle).

"Splendid." —People "The perfect book for anyone who knows that compassion isn't only for humans, and that the relationship between two souls who are meant for each other never really comes to an end. Every now and then I'm lucky enough to read a novel I can't stop thinking about: this is one of them." —Jodi Picoult "It's impossible not to love Enzo." —Minneapolis Star Tribune "This old soul of a dog has much to teach us about being human. Cool, Calm & Contentious Merrill Markoe 2012 "This is so well written. [When a book like this] comes along, it's, like, 'Thank you!' What a great way to spend an afternoon, an evening, reading these essays. . . . Absolutely great."—Jon Stewart "[Merrill] Markoe is easily as funny as David Sedaris. She's capable of manic riffs and acerbic skewering. Still, her good nature shines through."—The Washington Post In this hilarious collection of candid essays, including two pieces new to this edition, New York Times bestselling author Merrill Markoe reveals much about her personal life—as well as the secret formula for comedy: Start out with a difficult mother, develop some classic teenage insecurities, add a few relationships with narcissistic men, toss in an unruly pack of selfish dogs, finish it off with the kind of crystalline perspective that only comes from years of navigating a roiling sea of unpleasant and unappeasable people, and—voilà—you're funny! Cool, Calm & Contentious is honest, unapologetic, sometimes heartbreaking, but always shot through with Merrill Markoe's biting, bracing wit. "This has been a great year for funny women. . . . Let's call Tina Fey and Mindy Kaling exhibits A and B. Both owe a debt to those who came before, including Merrill Markoe."—The Boston Globe "Markoe's goal is to find the absurdity in everyday life. That, coupled with her sharp wit, makes her writing sublime."—BookPage "Laugh-out-loud humor."—Tampa Bay Times "Not only crazy-funny, but

crazy-heartbreaking."—The New York Times *Beautiful Disaster Signed Limited Edition* Jamie McGuire 2012-11-27 Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time. *Deep Thoughts from a Hollywood Blonde* Jennie Garth 2014 Earning her place in American pop culture history due to her role as Kelly Taylor on *Beverly Hills 90210*, the actress, now facing her 40s and in demand again, explores the highs and lows of her life, both in front of the camera and behind closed doors. 150,000 first printing.

Let's Pretend This Never Happened Jenny Lawson 2012-04-17 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. The Lost World of DeMille John Kobal 2019-10-25 Longlisted for the 2020 Moving Image Book Award by the Kraszna-Krausz Foundation As only an accomplished author, consummate collector, and savvy insider can, John Kobal tells the story of the man who invented Hollywood, Cecil Blount DeMille (1881-1959). Kobal narrates the story of DeMille's life and follows the director's career from his first film, *The Squaw Man*, in 1914, through the seventy films he directed culminating with *The Ten Commandments* in 1956 before his death in 1959. Even that first film received an enthusiastic response from the public, and that popular enthusiasm would follow DeMille throughout his career. DeMille got his start by observing a film being shot—once standing for hours on a box looking through a window, watching every move made by the director, players, and cameraman. From that humble beginning, he soon mastered the craft of directing and created one of show business's greatest careers. Autocrat and artist, DeMille immersed himself totally in each picture he directed and demanded complete fealty from his casts and crews. DeMille was said to know more about what the American public wanted than anyone else in Hollywood. He pushed the boundaries of censorship, and audiences responded by forming long lines at the box office. From the American West to ancient Egypt, he created such magical films as *The Crusades* and *The Greatest Show on Earth* that brought vividly to life fantasies perfectly suited to post-World War I and mid-century America. Kobal describes DeMille's impact on Hollywood as a director and showman. He argues that this master filmmaker stands for something largely lost in American filmmaking, a sort of naïve, generous, big-thinking self-confidence—a belief that all things

are possible. John Kobal wrote over thirty books on film and photography. His final manuscript, *The Lost World of DeMille*, was completed shortly before his death in 1991. It is published at last by University Press of Mississippi.

Hollywood Eden Joel Selvin 2021-04-06 "Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored." - New York Times From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's & the Papa's, *Hollywood Eden* captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 - a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys - who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, *Hollywood Eden* tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun.

BRAVE Rose McGowan 2018-01-30 NEW YORK TIMES BESTSELLER - A revealing memoir and empowering manifesto - As featured in Ronan Farrow's *CATCH AND KILL* and Jodi Kantor and Megan Twohey's *SHE SAID* "BRAVE works beautifully as a manifesto. It's a call to arms--not just against the specific men who mistreated McGowan and the men and women who enabled that mistreatment, but against an industry."--The Boston Globe Rose McGowan was born in one cult and came of age in another, more visible cult: Hollywood. In a strange world where she was continually on display, stardom soon became a personal nightmare of constant exposure and sexualization. Rose escaped into the world of her mind, something she had done as a child, and into high-profile relationships. Every detail of her personal life became public, and the realities of an inherently sexist industry emerged with every script,

role, public appearance, and magazine cover. The Hollywood machine packaged her as a sexualized bombshell, hijacking her image and identity and marketing them for profit. Hollywood expected Rose to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. She reemerged unscripted, courageous, victorious, angry, smart, fierce, unapologetic, controversial, and real as f*ck. BRAVE is her raw, honest, and poignant memoir/manifesto--a no-holds-barred, pull-no-punches account of the rise of a millennial icon, fearless activist, and unstoppable force for change who is determined to expose the truth about the entertainment industry, dismantle the concept of fame, shine a light on a multibillion-dollar business built on systemic misogyny, and empower people everywhere to wake up and be BRAVE. "My life, as you will read, has taken me from one cult to another. BRAVE is the story of how I fought my way out of these cults and reclaimed my life. I want to help you do the same." -Rose McGowan

You Have No Idea Vanessa Williams 2012-04-17 The highly anticipated first book by a widely respected entertainer whose career highlights include *The Right Stuff*, *Ugly Betty*, *Desperate Housewives*, and former Miss America When Vanessa Williams was growing up, she had a plan: She'd go to college and major in musical theater; afterward she'd get her MFA from the Yale School of Drama, and then she would embark on a successful career on Broadway. And to make sure she stayed on that path, her mother, Helen Williams, gave her a list of things that she should never-ever-do. Near the top of that list was "never ever pose nude for anyone." So when Vanessa became the first African-American woman to win the title of Miss America in September 1983 (an accomplishment that she never planned for or desired), only to be forced to resign ten months later due to a nude photo scandal, the lives of both Vanessa and Helen took an unexpected turn. But Vanessa survived this setback, and many others to come, to enjoy a thirty-plus-year career as an award-winning singer and actress. Vanessa has been asked to write her memoir many times, but only now--with the help of her mother--is she ready to tell her story. Vanessa grew up in Millwood, New York, part of one of the town's only black families. As a teenager, Vanessa defied Helen, flirting with boys, drinking, and smoking pot. But despite their early conflicts, Helen has always ardently protected her daughter, staying in contact with the FBI about the multiple death threats Vanessa received after being crowned and being there for her during the dissolution of her two marriages. Now the mother of four children, Vanessa describes how she's made it through the ups and downs of her life as well as her career. Jointly written by Vanessa and Helen and filled with dozens of personal family photos and mementos, *You Have No Idea* is an empowering celebration of the love between a mother and

daughter and the life of a woman who beat the odds to achieve her destiny.

Olivia de Havilland Victoria Amador 2019-05-31 Legendary actress and two-time Academy Award winner Olivia de Havilland is best known for her role as Melanie Wilkes in *Gone with the Wind* (1939). She often inhabited characters who were delicate, elegant, and refined. At the same time, she was a survivor with a fierce desire to direct her own destiny on and off the screen. She fought and won a lawsuit against Warner Bros. over a contract dispute that changed the studio contract system forever. She is also noted for her long feud with her fellow actress and sister Joan Fontaine -- a feud that lasted from 1975 until Fontaine's death in 2013.

Victoria Amador utilizes extensive interviews and forty years of personal correspondence with de Havilland to present an in-depth look at the life and career of this celebrated actress. Amador begins with de Havilland's early life -- she was born in Japan in 1916 to affluent British parents who had aspirations of success and fortune in faraway countries -- and her theatrical ambitions at a young age. The book then follows her career as she skyrocketed to star status, becoming one of the most well-known starlets in Tinseltown. Readers are given an inside look at her love affairs with iconic cinema figures such as James Stewart and John Huston, and her onscreen partnership with Errol Flynn, with whom she starred in *The Adventures of Robin Hood* (1938) and *Dodge City* (1939). After she moved to Europe in the mid-1950s, de Havilland became the first woman to serve as the president of the Cannes Film Festival in 1965, and remained active but selective in film and television until 1988. *Olivia de Havilland: Lady Triumphant* is a tribute to one of Hollywood's greatest legends, who has evolved from a gentle heroine to a strong-willed, respected, and admired artist.

Paul and Me A. E. Hotchner 2010-04-15 A.E. Hotchner first met Paul Newman in 1956, when the relatively unknown actor assumed the role James Dean was to play in Hotchner's first television play, based on an Ernest Hemingway story. The project elevated both men from relative obscurity to stardom, and commenced a close and trusted friendship that lasted until Newman's death in 2008. In A Friendship, Hotchner presents a complicated, unpredictable and talented man and leads the reader through their shared adventures. The pair travelled extensively around the globe, and owned fishing boats that involved them in embarrassing incidents. They successfully defended themselves before a jury in a ludicrous two-year trial, and triumphed in a beery tennis match against Robert Redford and Jack Valenti. Most notably, they started a food company, Newman's Own, as a prank and watched it soar into a major enterprise that has given all its 200 million dollars of profits to charities. Hotchner's knowledge of Newman is unparalleled, and as a gifted storyteller he brings to the reader crucial insights Newman revealed about himself. A Friendship is the story of an unusual friendship and a tribute to the beloved actor who gave to the world as much as the world gave him.

I Regret Nothing Jen Lancaster 2015-05-05 THE NEW YORK TIMES BESTSELLER New York Times bestselling author Jen Lancaster has lived a life based on re-invention and self-improvement. From Bitter Is the New Black to The Tao of Martha, she's managed to document her (and her generation's) attempts to shape up, grow up, and have it all—sometimes with disastrous results... Sure Jen has made mistakes. She spent all her money from a high-paying job on shoes, clothes, and spa treatments. She then carried a Prada bag to the unemployment office. She wrote a whole memoir about dieting...but didn't lose weight. She embarked on a quest for cultural enlightenment that only cemented her love for John Hughes movies and Kraft American Singles. She tried to embrace everything Martha Stewart, while living with a menagerie of rescue cats and dogs. (Glitter...everywhere.) Mistakes are one thing; regrets are another. After a girls' weekend in Savannah makes her realize that she is—yikes!—middle-aged (binge watching is so the new binge drinking), Jen decides to make a bucket list and seize the day, even if that means having her tattoo removed at one hundred times the cost of putting it on. From attempting a juice cleanse to studying Italian, from learning to ride a bike to starting a new business, and from sampling pasta in Rome to training for a 5K, Jen is turning a mid-life crisis into a mid-life opportunity, sharing her sometimes bumpy—but always hilarious—attempts to better her life...again.
