Worshipping Your Wife

Mark Remond 2008-04 Six Steps for Turning Marriage Back Into Passionate Courtship: WORSHIPPING YOUR WIFE recommends a return to courtship, that time when a man and woman find each other most mysterious and magnetic. Husbands, by elevating their wives, find themselves becoming romantically obsessed again. Marriages, even after years of dormancy, begin to pulse with a new and potent eroticism. The ideal book for men to introduce their female partners to Loving Female Authority or Female Led Relationships "and for women to hand-deliver to the men in their lives, with salty or salient passages highlighted.

The Feminine Mystique

Betty Friedan 2001-09-17 Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint. *The Proper Care and Feeding of Husbands* Dr. Laura Schlessinger 2009-03-17 The national best-seller in which Dr. Laura Schlessinger—America's top radio talk show host—gives advice on how women can make their marriage thrive after the wedding bliss subsides. In her most provocative book yet, Dr. Laura urgently reminds women that to take proper care of their husbands is to ensure themselves the happiness and satisfaction they deserve in marriage.

Women want to be in love, get married and live happily ever after, yet countless women call Dr. Laura, unhappy in their marriages and seemingly at a loss to understand the incredible power they have over their men to create the kind of home life they yearn for. Dr. Laura shows real-life examples and real-life solutions on how to wield that power to attain all the sexual pleasure, intimacy, love, joy, and peace desired in life. Dr. Laura's simple principles have changed the lives of millions!

American Crucifixion
Alex Beam 2014-04-22 On June 27, 1844, a mob stormed the jail in the dusty frontier town of Carthage, Illinois. Clamorous and angry, they were hunting down a man they saw as a grave threat to their otherwise quiet lives:

the founding prophet of Mormonism, Joseph Smith. They wanted blood. At thirty-nine years old, Smith had already lived an outsized life. In addition to starting the Church of Latter-day Saints and creating his own "Golden Bible" – the Book of Mormon – he had worked as a water-dowser and treasure hunter. He'd led his people to Ohio, then Missouri, then Illinois, where he founded a city larger than fledgling Chicago. He was running for President. And, secretly, he had married more than thirty women. In American Crucifixion, Alex Beam tells how Smith went from charismatic leader to public enemy: how his most seismic revelation – the doctrine of polygamy – created a rift among his people; how that schism turned to violence; and how, ultimately, Smith could

not escape the consequences of his ambition and pride. Mormonism is America's largest and most enduring native religion, and the "martyrdom" of Joseph Smith is one of its transformational events. Smith's brutal assassination propelled the Mormons to colonize the American West and claim their place in the mainstream of American history. American Crucifixion is a gripping story of scandal and violence, with deep roots in our national identity. Fascinating Womanhood Helen Andelin 1982-02 How to Make Your Marriage a Lifelong Love Affair What makes a woman fascinating to her husband? What is happiness in marriage for a woman? These are just two of the questions Helen B. Andelin answers in the

Fascinating Womanhood for the Timeless Woman
Dixie Andelin Forsyth
2021-02-26 Over 50 years after the original book became a bestseller and birthed an international women's movement, the sequel to Helen Andelin's Fascinating Womanhood is here. Originally published in 1963, Fascinating Womanhood sold over 5 million copies globally and was translated into 7 languages. As controversial as it was popular, the book also spawned a grassroots movement of classes where women could learn more about feminine influence in relationships and the home—classes that continue to this day in

countries including Australia, Brazil, Cameroon, Japan, the Philippines, Saudi Arabia, South Africa, Uganda, the United Kingdom, and the United States. The sequel Fascinating Womanhood for the Timeless Woman sees Andelin's daughter, Dixie Andelin Forsyth, pick up her mother's mantle with the aim of 'awakening an enlightened form of femininity in women, in order to inspire a noble masculinity in men and create a lifelong romance.' With teachings that lean strongly on relationship roles—focusing on division of labor between task and relationship leaders—Fascinating Womanhood has also been called "the book feminists love to hate" and there's no doubt that its sequel is set to raise eyebrows.

particularly at a time when gender norms and roles are a hot topic. While some may wonder whether these teachings have relevance within the context of a modern world, Dixie believes they have never been more important. "Fascinating Womanhood for the Timeless Woman holds the position that most cultures have lost the sense of ascendancy that comes from proper cultivation of femininity and masculinity in women and men, respectively. We believe that femininity inspires a noble masculinity in men and that it empowers and liberates women to pursue their greatest potential. We teach that women are the 'gatekeepers of civilization' and 'humanity's original adults.' We refer to something we call 'feminine power' which

is unlocked by a 'fascinating woman,'" Dixie says. In the years before Helen's passing on June 7, 2009, when it became clear that she would not be able to complete her ambitions of updating the original Fascinating Womanhood book or writing its intended sequel, Helen began preparing Dixie for the task. During that time, she and her mother had broad discussions on the topics to be explored. For Helen, it was a kind of 'life in review', while Dixie was a seasoned teacher by this time and had lived the principles nearly her whole life. As much as she was Helen's lifelong protégée, she was also her mother's philosophical sparring partner and the result is that the sequel bears Dixie's mark as much as it does Helen's. Fascinating Womanhood

for the Timeless Woman is not merely a book of personal or moral opinions. It's based in part on modern science, over 50 years of teaching experience and feedback, and most importantly, results. While Helen's approach to Fascinating Womanhood began as an academic exercise, with her consulting experts, authors, and other reputable sources in order to add new wisdom to her concepts, it's evolution came about mostly through a process of application and feedback via the international teaching program. The Fascinating Womanhood blog features dramatic accounts of improved lives and marriages throughout the world. Dixie has used a similar approach with the sequel. While she too drew strongly on her experience and the feedback of the teachers

and students, she also expands on new themes that her mother only touched on. With assistance from her husband Dr. Robert D. Forsyth and his research as a licensed psychologist specializing in neuropsychology, her book features pioneering information about the human brain, with a chapter devoted to practical brain architecture for better self-awareness and more effective relationship communication. The sequel also explores the male condition in much more detail, geared towards arming women with better understanding of their partners.

uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation.

Lifelong Love Affair

Jimmy Evans 2012-09-01

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In *Lifelong Love Affair*, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's

spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find *Lifelong Love Affair* an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott.

Fascinating Girl Vintage Edition Helen B Andelin

2018-05-05

Fascinating Girl is a guide for young women on how to discover and cultivate their innate femininity, and how to start a relationship that will lead to a happy marriage. Before she passed away, Helen Andelin asked her eldest daughter, Dixie Andelin,

parents they want to be. This could be because they do not understand children or how to motivate them to good behavior. When parents face these perplexing problems, many feel without adequate guidance. The purpose of this book is to teach parents how to find success with their children. It explains the kind of people parents could be, the home life they must provide, the care and devotion required and the close friendship they must build to reach this success. It teaches clear-cut methods of helping them to be obedient and responsible, of developing their character and intellect to its highest potential and of building a feeling of self-worth.

The Surrendered Wife

Laura Doyle 2001-02-28 A New York Times bestseller, this controversial guide to improving your marriage has transformed thousands of relationships, bringing women romance, harmony, and the intimacy they crave. Like millions of women, Laura Doyle wanted her marriage to be better. But when she tried to get her husband to be more romantic, helpful, and ambitious, he withdrew—and she was lonely and exhausted from controlling everything. Desperate to be in love with her man again, she decided to

Downloaded from
awakeandaware2011.com
on August 19, 2022 by
guest

stop telling him what to do and how to do it. When Doyle surrendered control, something magical happened. The union she had always dreamed of appeared. The man who had wooed her was back. The underlying principle of The Surrendered Wife is simple: The control women wield at work and with children must be left at the front door of any marriage. Laura Doyle's model for matrimony shows women how they can both express their needs and have them met while also respecting their husband's choices. When they do, they revitalize intimacy. Compassionate and practical, The Surrendered Wife is a step-by-step guide that teaches women how to: · Give up unnecessary control and responsibility · Resist the temptation to criticize, belittle, or

dismiss their husbands · Trust their husbands in every aspect of marriage—from sexual to financial · And more. The Surrendered Wife will show you how to transform a lonely marriage into a passionate union. Sex and Unisex Jo B. Paoletti 2015-02-27 Notorious as much for its fashion as for its music, the 1960s and 1970s produced provocative fashion trends that reflected the rising wave of gender politics and the sexual revolution. In an era when gender stereotypes were questioned and dismantled, and when the feminist and gay rights movements were gaining momentum and a voice, the fashion industry responded in kind. Designers from Paris to Hollywood imagined a future of equality and androgyny. The unisex

Downloaded from

on August 19, 2022 by
guest

movement affected all ages, with adult fashions trickling down to school-aged children and clothing for infants. Between 1965 and 1975, girls and women began wearing pants to school; boys enjoyed a brief "peacock revolution," sporting bold colors and patterns; and legal battles were fought over hair style and length. However, with the advent of Diane Von Furstenberg's wrap dress and the launch of Victoria's Secret, by the mid-1980s, unisex styles were nearly completely abandoned. Jo B. Paoletti traces the trajectory of unisex fashion against the backdrop of the popular issues of the day—from contraception access to girls' participation in sports. Combing mass-market catalogs, newspaper and magazine articles, cartoons, and

trade publications for signs of the fashion debates, Paoletti provides a multigenerational study of the "white space" between (or beyond) masculine and feminine. *Postfemininities in Popular Culture* Stéphanie Genz 2009-03-31 Addressing the contradictions surrounding modern-day femininity and its complicated relationship with feminism and postfeminism, this book examines a range of popular female and feminist icons and paradigms. It offers an innovative and forward-looking perspective on femininity and the modern female self. **Total Woman** Marabel Morgan 1990-09-01 **A Lifelong Love** Gary Thomas 2021-04-01 A good marriage isn't something found; it's something made. the bestselling book *A Lifelong Love*, author Gary Thomas shares that when couples pursue spiritual purpose and worship it builds lasting intimacy and friendship between them. In *A Lifelong Love*, Thomas takes couples on three essential journeys leading to a strong marriage: The journey toward each other The journey toward God The journey toward love Whether readers are feeling discouraged about their marriage or simply want to infuse their relationship with greater spiritual and relational passion, *A Lifelong Love* offers the guidance they need to embrace the eternal intentions that God has for them.

Welcome to Fascinating Womanhood Helen B. Andelin 1969
Answers for Your Marriage Bruce Britten 1994

Fascinating Womanhood Helen B. Andelin 1969
Sister Saints Colleen McDannell 2018-10-02 The specter of polygamy haunts Mormonism. More than a century after the practice was banned, it casts a long shadow that obscures people's perceptions of the lives of today's Latter-day Saint women. Many still see them as second-class citizens, oppressed by the church and their husbands, and forced to stay home and take care of their many children. *Sister Saints* offers a history of modern Mormon women that takes aim at these stereotypes, showing that their stories are much more complex than previously thought. Women in the Utah territory received the right to vote in 1870-fifty years before the nineteenth amendment-only to have it taken away by the same federal legislation

Downloaded from
awakeandaware2011.com
on August 19, 2022 by
guest

that forced the end of polygamy. Progressive and politically active, Mormon women had a profound impact on public life in the first few decades of the twentieth century. They then turned inward, creating a domestic ideal that shaped Mormon culture for generations. The women's movement of the 1970s sparked a new, vigorous-and hotly contested-Mormon feminism that divided Latter-day Saint women. By the twenty-first century more than half of all Mormons lived outside the United States, and what had once been a small community of pioneer women had grown into a diverse global sisterhood. Colleen McDannell argues that we are on the verge of an era in which women are likely to play a greater role in the Mormon church. Well-educated,

outspoken, and deeply committed to their faith, these women are defying labels like liberal and conservative, traditional and modern. This deeply researched and eye-opening book ranges over more than a century of history to tell the stories of extraordinary-and ordinary-Latter-day Saint women with empathy and narrative flair.

Sample Book Insights: #1
The book contains advice on how to attract, keep, and love a man. It covers the ideal woman from a man's point of view, what men find fascinating about women, how to awaken a man's deepest feelings of love and tenderness, and how to understand men.

The Surrendered Single

Laura Doyle 2009-11-24
THIS CONTROVERSIAL APPROACH TO DATING HAS GIVEN THOUSANDS OF SINGLE WOMEN EVERYTHING THEY NEED TO ATTRACT ROMANCE, INTIMACY, AND A MARRIAGE PROPOSAL. Surrendered Single doesn't have to look for Mr. Right -- she attracts him. The principles presented in The Surrendered Single are simple: When you try to control who asks you out and when a man will

call, or if you try to corner him into a commitment, you drive him away. When you let him woo you instead, you enjoy the pleasure of being pursued. You feel confident and feminine. Dating becomes fun again. Marriage follows. You stop going it alone. Practical and compassionate, The Surrendered Single is a step-by-step guide that shows you how to: ASK MEN TO INVITE YOU OUT SO THAT YOU ALWAYS HAVE A DATE AVOID THE REMORSE OF "I WISH I HADN'T SAID..." BECOME YOUR BEST SELF AND ATTRACT GOOD MEN Whether you're recovering from a breakup or a divorce, are on the dating scene, or want your romance to deepen, The Surrendered Single will bring you the relationship you desire with a man you love -- and who loves you.

The Book of Iowa Films

Downloaded from

Marty Knepper 2014-08-04
This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each

film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition. Fascinating Womanhood Helen B. Andelin 1965 *The Age of Evangelicalism* Steven P. Miller 2014 At the start of the twenty-first century, America was awash in a sea of evangelical talk. The Purpose Driven Life. Joel Osteen. The Left Behind novels. George W. Bush. Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of "a sense in which we are all evangelicals now." Steven P. Miller offers a dramatically different perspective: the Bush years, he argues, did

Downloaded from
awakeandaware2011.com
on August 19, 2022 by
guest

not mark the pinnacle of evangelical influence, but rather the beginning of its decline. The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970, a period Miller defines as America's "born-again years." This was a time of evangelical scares, born-again spectacles, and battles over faith in the public square. From the Jesus chic of the 1970s to the satanism panic of the 1980s, the culture wars of the 1990s, and the faith-based vogue of the early 2000s, evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential. Born-again Christianity permeated nearly every area of American life. It was broad enough to encompass Hal Lindsey's doomsday prophecies and

Marabel Morgan's sex advice, Jerry Falwell and Jimmy Carter. It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor. As Miller shows, evangelicalism influenced not only its devotees but its many detractors: religious conservatives, secular liberals, and just about everyone in between. The Age of Evangelicalism contained multitudes: it was the age of Christian hippies and the "silent majority," of Footloose and The Passion of the Christ, of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon. Barack Obama was as much a part of it as Billy Graham. The Age of Evangelicalism tells the captivating story of how born-again Christianity shaped the cultural and political climate in which millions of

Tabernacles of Clay

Taylor G. Petrey

2020-04-17 Taylor G.

Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the

history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed
