Misty and Dirk (My Bondage Threesome with My Best Friend) An FFM Ménage a Trois Erotica Story When my best friend asked me to have a threesome with her, I was shocked. It wasn't that she wanted a threesome because the idea sounded hot as hell to me. It was just that she and I had both liked Dirk before the two of them got together and I thought there might be jealousy. I still agreed, and I was particularly amazed when I found out they were into some kinky things. They wanted to tie me up! I was a little unsure so I went online and did some research. I went from unsure to really uncomfortable in a second flat! I didn't want to be humiliated and called nasty names or anything like that. Misty reassured me, though, and I ended up excited as hell. On Saturday night, I went to sleep really looking forward to our threesome the next day.

Doing Mrs. Claus Nikki Strange 2014-11-30 Have you had it with all of those wholesome Christmas tales? Does the thought of yet another year watching Rudolph, the Baby New Year, and Scrooge make you want to yak? Doing Mrs. Claus and the other books in the Amorous Adventure of Santa Claus series may just change the way you look at Christmas. If nothing else it just might put the heat back into Sexmas. Mrs. Claus had an enormous appetite for everything sexual, and in the weeks leading up to Christmas that desire expanded completely out of proportion to her normal needs. You see the hustle and bustle of Christmas, with all its ins and outs, and travels here and there, turned Mrs. Santa on. It made her-well, it made her horny. Unfortunately, it had just the opposite effect on Santa. Christmas was his busy season. There were toys to make, lists to put together, and reindeer paths to plan. When he was done working, Santa just wanted to come home, drop his fat ass in the chair, eat supper, and fall asleep watching the latest broadcast of the North Pole News. Mrs. Claus's special needs weren't high up on his list of priorities-not at Christmas time, anyway. Mrs. C had developed a habit of hanging around outside of Santa's workshop at shift change. She'd start up a conversation with a hot young Elf, and next thing you know, she'd innocently follow him into the showers-chatting the entire way. At first the Elves didn't think much about it. It was a little strange and out of character for her, but they figured it was just Mrs. C being friendly. As time passed, and the visits became more frequent she became more hands on. One day the Elves discovered Mrs. C in the showers-bare ass naked-scrubbing their backs, and helping them wash their more private parts.
