*Detransition, Baby* Torrey Peters 2021-01-12

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of

the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn’t hate. She had scraped together what previous generations of trans

women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's

pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

[Seriously Bitter Sweet](#) Alice Medrich 2013-10-22

This fully revised edition of the acclaimed chocolate dessert cookbook *Bittersweet* is updated to account for today's cocoa percentages. Since 2003, the world of chocolate has grown exponentially. Terms like "bittersweet" and "semisweet" no longer suffice as chocolatiers everywhere are making chocolates that are instead labeled with specific percentages of cocoa. Keeping current with today's chocolate, Alice Medrich presents a complete revision of her 2004 IACP Cookbook of the Year, *Bittersweet*. *Seriously Bitter Sweet* features 150 meticulously tested, seriously delicious dessert recipes?both

savory and sweet?for a wide range of percentage chocolates. Alice includes "chocolate notes" alongside each recipe, so readers can further adapt any recipe using the percentage chocolate on hand. With tricks, techniques, and answers to every chocolate question, *Seriously Bitter Sweet* will appeal to a whole new audience of chocolate lovers.

**The Design of Everyday Things** Don Norman  
2013-11-05 Even the smartest among us can feel inept as we fail to figure out which light switch or

oven burner to turn on, or whether to push, pull, or slide a door. The fault, argues this ingenious—even liberating—book, lies not in ourselves, but in product design that ignores the needs of users and the principles of cognitive psychology. The problems range from ambiguous and hidden controls to arbitrary relationships between controls and functions, coupled with a lack of feedback or other assistance and unreasonable demands on memorization. The Design of Everyday Things shows that good, usable design is possible. The rules are simple: make things visible, exploit natural relationships

that couple function and control, and make intelligent use of constraints. The goal: guide the user effortlessly to the right action on the right control at the right time. In this entertaining and insightful analysis, cognitive scientist Don Norman hails excellence of design as the most important key to regaining the competitive edge in influencing consumer behavior. Now fully expanded and updated, with a new introduction by the author, *The Design of Everyday Things* is a powerful primer on how—and why—some products satisfy customers while others only frustrate them.

in the heart of New York

**Food & Wine** 2000-07

The Long Tail Chris Anderson 2006-07-11 What

happens when the bottlenecks that stand between supply and demand in our culture go away and everything becomes available to everyone? "The Long Tail" is a powerful new force in our economy: the rise of the niche. As the cost of reaching consumers drops dramatically, our markets are shifting from a one-size-fits-all model of mass appeal to one of unlimited variety for unique tastes. From supermarket shelves to advertising agencies, the

ability to offer vast choice is changing everything, and causing us to rethink where our markets lie and how to get to them. Unlimited selection is revealing truths about what consumers want and how they want to get it, from DVDs at Netflix to songs on iTunes to advertising on Google. However, this is not just a virtue of online marketplaces; it is an example of an entirely new economic model for business, one that is just beginning to show its power. After a century of obsessing over the few products at the head of the demand curve, the new economics of distribution allow us to turn our focus to the many

more products in the tail, which collectively can create a new market as big as the one we already know. The Long Tail is really about the economics of abundance. New efficiencies in distribution, manufacturing, and marketing are essentially resetting the definition of what's commercially viable across the board. If the 20th century was about hits, the 21st will be equally about niches.

*Nancy Silverton's Pastries from the La Brea*

*Bakery* Nancy Silverton 2013-05-07 “The pastries we make are deliciously simple and rustic and never too sweet. Woven into many of them are my favorite flavors: butter, cinnamon, nuts, and

fruit. They're familiar, uncomplicated, and satisfying. One taste and you're instantly comforted. Inspired by a sweet memory from childhood, a European classic, or a time-honored bakeshop standard, they are flavors you never tire of. Like my bread, these are pastries you want to eat every day.”—from the Introduction

When celebrated pastry chef and baker Nancy Silverton decided to add sweets to the La Brea Bakery's shelves of artisanal breads, she knew that they couldn't be just any sweets. Instead of baking fastidious and overelaborate desserts, she creates deliciously simple, rustic pastries, full of

texture and flavor, that complement perfectly her hearty, country-style breads and have people lining up morning after morning. Now, in Pastries from the La Brea Bakery, Silverton shares her passion and expertise in more than 150 recipes of her most scrumptious favorites—virtually every pastry in the La Brea Bakery's impressive repertoire. Silverton distills years of experimentation and innovation into simple and accessible directions. Many of her recipes are surprisingly quick and easy—not to mention incredibly tasty—like her crisps, cobblers, and crumbles, and her ever-popular scones, which run

the gamut from Chocolate-Walnut to Ginger to Mushroom-Onion. Her muffins are moist and distinctive, from the healthful Bran to the rich Crostin de Chocolat. She offers an array of quickbreads and quickcakes for all tastes (including Madeleines, Canellés, and Cranberry-Almond Tea Bread), and her tarts bring out the best qualities of the finest ingredients, from the intense, fresh fruit of her Cherry Bundles to her elegant Triple Almond Tart. Beautiful cookies, such as Almond Sunflowers, Nun's Breasts, and Swedish Ginger Wafers, are centerpiece desserts on their own. Silverton also deftly teaches the

delicate art of confections—here you'll find Almond Bark, English Toffee, and Lollipops—and demystifies the sometimes intimidating technique of doughnut making. The crowning touch is her detailed section on Morning Pastries, where she guides us to mastery of the classic doughs: the quick and rich bobka, the fine-textured traditional brioche, the famous and flexible croissant, and the pièce de résistance: puff pastry. An important book from a baking and pastry icon, Pastries from the La Brea Bakery, like Nancy Silverton's acclaimed Breads from the La Brea Bakery, is a bible of the craft for bakers everywhere.

**Buying Guide 2007 Canadian Edition Consumer Reports 2006-11-14** In today's marketplace, there are an array of products that can be purchased and several ways to buy them. Consumers today are faced with numerous choices when deciding on which products to purchase. The choice ultimately comes down to the consumers specific wants and needs. "Is this the right product for me? Will I get my money's worth in this product? Which brand is the best for me?" What it all comes down to is... Are consumers doing their homework to determine the best value out there that will fulfill their wants and needs? Consumer

Reports Buying Guide 2007 is an ideal resource for consumers. It's a one-stop source for making intelligent, money saving purchases for all home buying needs. From

refrigerators to home theater systems, Consumer Reports Buying Guide 2007 prepares consumers with pertinent information in selecting a suitable product for their needs. Using this guide will ultimately pay off in valuable product knowledge, time saved, and perhaps paying a lower price.

#### **Consumer Sourcebook 2001**

**Big-Box Swindle** Stacy Mitchell 2007-10-01 A Book Sense Pick and Annual Highlight With a New Afterword In less than two decades, large retail chains have become the most powerful corporations in America. In this deft and revealing book, Stacy Mitchell illustrates how mega-retailers

are fueling many of our most pressing problems, from the shrinking middle class to rising pollution and diminished civic engagement—and she shows how a growing number of communities and independent businesses are effectively fighting back. Mitchell traces the dramatic growth of mega-retailers—from big boxes like Wal-Mart, Home Depot, Costco, and Staples to chains like Starbucks, Olive Garden, Blockbuster, and Old Navy—and the precipitous decline of independent businesses. Drawing on examples from virtually every state in the country, she unearths the extraordinary impact of these companies and the

big-box mentality on everything from soaring gasoline consumption to rising poverty rates, failing family farms, and declining voting levels. Along the way, Mitchell exposes the shocking role government policy has played in the expansion of mega-retailers and builds a compelling case that communities composed of many small, locally owned businesses are healthier and more prosperous than those dominated by a few large chains. More than a critique, *Big-Box Swindle* provides an invigorating account of how some communities have successfully countered the spread of big boxes and rebuilt their local

economies. Since 2000, more than two hundred big-box development projects have been halted by groups of ordinary citizens, and scores of towns and cities have adopted laws that favor small-scale, local business development and limit the proliferation of chains. From cutting-edge land-use policies to innovative cooperative small-business initiatives, Mitchell offers communities concrete strategies that can stave off mega-retailers and create a more prosperous and sustainable future.

The Better World Shopping Guide: 6th Edition

Ellis Jones 2017-10-01 Small enough to fit in your pocket, this practical little book will help you change the world as you shop! While we strive to make our vote count every four years, few of us realize that our most immediate power to shape the world is squandered on a daily basis. Every dollar we spend has the potential to create social and environmental change. In fact, it already has. The world that exists today is in large part a result of our purchasing decisions. The Better World Shopping Guide rates hundreds of

products and services from A to F, so you can quickly tell the "good guys" from the "bad guys" and ensure your money is not supporting corporations that make decisions based solely on the bottom line. Drawing on decades of meticulous research, this completely revised and updated sixth edition will help you find out who actually "walks the talk" when it comes to:  
Environmental sustainability  
Human rights  
Community involvement  
Animal protection  
Social justice  
Small enough to fit in a back pocket or handbag and organized in a user-friendly format, The Better World Shopping Guide helps you

reward companies who are doing good, penalize those involved in destructive activities, and change the world as you shop! Ellis Jones, PhD is the award-winning, bestselling author of five previous editions of *The Better World Shopping Guide* , and co-author of *The Better World Handbook* . A scholar of social responsibility, global citizenship, and everyday activism, he has dedicated himself to uncovering practical ways for people to make a difference in the world. He currently teaches at Holy Cross College in Worcester, MA.
