Milady's Standard Sue Ellen Schultes 2004 Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

Milady Standard Esthetics: Fundamentals Milady 2012-02-24 Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Metrophage Richard Kadrey 2014-11-04 New York Times bestselling author Richard Kadrey's first novel—the cult classic dystopian cyberpunk tale—now back in print after twenty years in a special signed, collectible edition. Welcome to the near future: Los Angeles in the late 21st century—a segregated city of haves and have nots, where morality is dead and technology rules. Here, a small group of wealthy seclude themselves in gilded cages. Beyond their high security compounds, far from their pretty comforts, lies a lawless wasteland where the angry masses battle hunger, rampant disease, and their own despair to survive. Jonny was born into this Hobbesian paradise. A street-wise hustler who deals drugs on the black market—narcotics that heal the body and cool the mind—he looks out for nobody but himself. Until a terrifying plague sweeps through L.A., wreaking death and panic. And no one, not even a clever operator like Jonny, is safe. His own life hanging in the balance, Jonny must risk everything to find the cure—if there is one. The book will include a Q & A with Cory Doctorow.
