Romeo and Juliet John F. Andrews 2015-05-08 Originally published in 1993. Presenting excerpts and articles on the themes and characters from the most famous story of young lovers, this collection brings together scholarship relating to the language, performance, and impact of the play. Ordered in three parts, the chapters cover analysis, reviews and interpretation from a wide ranging array of sources, from the play's contemporary commenters to literary critics of the early 1990's. The volume ends with an article by the editor on the action in the text which concludes the final section of 8 pieces looking at the story as being a product of Elizabethan Culture. It considers the attitude to the friar, to morality and suicide, the stars and fate, and gender differences. Comparisons are made to Shakespeare's source as well as to productions performed long after the Bard's death.

*Wham! Teaching with Graphic Novels Across the Curriculum* William G. Brozo 2014 Graphic novels are an excellent medium to motivate today's youth to become independent learners and thinkers. This practical guide shows secondary school teachers how to incorporate graphic novels into content area instruction as a tool for meeting the needs of diverse learners and achieving the goals of the Common Core State Standards. The authors provide instructional guidelines with classroom examples that demonstrate how graphic novels can be used to expand content knowledge and literacy in science, social studies, math, and English/language arts. Teachers will appreciate the book's specific suggestions for selecting graphic novels and for employing responsive practices that will build students' reading, writing, speaking, listening, and media competencies. "The range and complexity of graphic novels being published right now is simply amazing to me. . . . They are part of what should be a balanced array of texts that all can read, enjoy, and learn from. In this volume, the authors point to this proliferation, as well as the educative potential of graphic novels. After reading its pages, I feel others will agree with me that they have done an excellent job pointing out how graphic novel creators such as Jim Ottaviani and Larry Gonick communicate much about history, science, and mathematics while also making connections to comprehension and thinking skills that accompany both literacy and content-specific learning." —From the Foreword by Stergios Botzakis, assistant professor of adolescent literacy in the Theory and Practice in Teacher Education Department at The University of Tennessee, Knoxville "The authors have set forth on a task I feel long is overdue—connecting the literacy potential of graphic novels to the content areas. This book is a wonderful contribution to the field of content area literacy studies." —Michael D. Boatright, assistant professor, Department of English, Western Carolina University Book Features: Advice for selecting and evaluating graphic novels. Teaching strategies for each of the four major content domains. Guidance for aligning instruction with the Common Core State Standards. A list of

educational graphic novels organized by content area. Study group questions. And more! William G. Brozo is a professor of literacy in the Graduate School of Education at George Mason University in Fairfax, Virginia, and author of RTI and the Adolescent Reader. Gary Moorman is professor emeritus at Appalachian State University in Boone, North Carolina. Carla K. Meyer is an assistant professor in the Reading Education and Special Education Department at Appalachian State University.

**Interpreting Shakespeare on Screen** Hester Bradley 2000-12-02 This book explores Shakespeare films as interpretations of Shakespeare's plays as well as interpreting the place of Shakespeare on screen within the classroom and within the English curriculum. Shakespeare on screen is evaluated both in relation to the play texts and in relation to the realms of popular film culture. The book focuses on how Shakespeare is manipulated in film and television through the representation of violence, gender, sexuality, race and nationalism. Cartmell discusses a wide range of films, including Orson Welles' Othello (1952), Kenneth Branagh's Much Ado About Nothing (1993), Peter Greenaway's Prospero's Books (1991), Baz Luhrmann's William Shakespeare's Romeo and Juliet (1996) and John Madden's Shakespeare in Love (1998).

**Shakespeare Survey** Stanley Wells 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback.

Shakespearean Criticism Various 2021-06-23 Reissuing works originally published between 1984 and 1995, this set brings back into print early volumes from the Shakespearean Criticism Series originally edited by Joseph Price. The books present selections of renowned scholarship on each play, touching on performances as well as the dramatic literature. The pieces included are a mixture of influential historical criticism, more modern interpretations and enlightening reviews, most of which were published in wide-spread places before

these compilations were first made. Companions to the plays, these books showcase critical opinion and scholarly debate.

Original.

The Shakespearean Name David Lucking 2007 This book comprises ten essays on Shakespearean drama, the majority of which focus on the problem of language and more particularly on issues pertaining to names and their meanings. Four of these essays deal specifically with Romeo and Juliet, and examine the work in different sets of terms: as a reply to the aspersions against Shakespeare contained in Greene's Groatsworth of Wit, as a representative site for a kind of archaeology of meaning, as an experiment in the poetics of identity, and as a meditation on the interrelation between rival conceptions of time. Other works subjected to extended analyses in independent essays are Richard II, Julius Caesar and Macbeth, all of which are interpreted as tragedies of language in which the paradoxes inherent in names and naming are enacted in the personal dilemmas of the protagonists. The final two essays in the volume, comparative rather than exegetical in approach, explore the intricate web of allusion linking The Tempest with Marlowe's Doctor Faustus and Jonson's The Alchemist, and consider the contribution that all three plays make to the Renaissance exploration of the role played by art and knowledge in human life.

A History of Shakespeare on Screen Kenneth S. Rothwell 2004-10-28 This edition of A History of Shakespeare on Screen updates the chronology to 2003, with a new chapter on recent films.
