be a rule of the road? A “touching father-daughter story” (Kirkus Reviews) from the author of *Bittersweet* and *Twenty Boy Summer*. Jude has learned a lot from her older sisters, but the most important thing is this: The Vargas brothers are notorious heartbreakers. She’s seen the tears and disasters that dating a Vargas boy can cause, and she swore an oath—with candles and a contract and everything—to never have anything to do with one. Now Jude is the only sister still living at home, and she’s spending the summer helping her ailing father restore his vintage motorcycle—which means hiring a mechanic to help out. Is it Jude’s fault he happens to be cute? And surprisingly sweet? And a Vargas? Jude tells herself it’s strictly bike business with Emilio. Her sisters

will never find out, and Jude can spot those flirty little Vargas tricks a mile away—no way would she fall for them. But Jude’s defenses are crumbling, and if history is destined to repeat itself, she’s speeding toward some serious heartbreak...unless her sisters were wrong? Jude may have taken an oath, but she’s beginning to think that when it comes to love, some promises might be worth breaking.

Bittersweet Sarah Ockler 2012-01-03

From the author of *Twenty Boy Summer*, a teen pushes the limits to follow her dreams—and learns there's a fine line between bitter and sweet....

Once upon a time, Hudson knew exactly what her future looked like. Then a betrayal changed her life and knocked her dreams to the ground. Now she's a girl who doesn't believe in second chances, a girl who stays under the

radar by baking cupcakes at her mom's diner and obsessing over what might have been. So when things start looking up and she has another shot at her dreams, Hudson is equal parts hopeful and terrified. Of course, this is also the moment a cute, sweet guy walks into her life—and starts serving up some seriously mixed signals. She's got a lot on her plate, and for a girl who's been burned before, risking it all is easier said than done. It's time for Hudson to ask herself what she really wants, and how much she's willing to sacrifice to get it. Because in a place where opportunities are fleeting, she knows this chance may very well be her last....
