Charlotte Markham and the House of Darkling Michael Boccacino 2012-07-24 Debut novelist Michael Boccacino invites readers into the world beyond the realm of the living in Charlotte Markham and the House of Darkling, a Victorian gothic tale of the strange and supernatural. But all who enter this house must beware—for there is a price to pay for visitors who wish to save those they love. The story of a British governess and her young charges seduced by the otherworldly enticements of a mysterious mansion in the forest following the inexplicable death of the former nanny, this Tim Burton-like tale of dark fantasy is a bewitching treat for fans of horror and paranormal fiction, as well as readers who love creepy gothic tales and mysterious shadowy English manor houses. A Dry Spell Susie Moloney 1998 Goodlands, North Dakota, has been suffering a massive drought for the past four years. Farms are in foreclosure, people’s livelihoods are on the wane, and the town’s beleaguered mortgage lender, Karen Grange, is beginning to think she should pack up and go back to Minneapolis. Then Tom Keatley arrives. He calls himself a rainmaker. Karen thinks he’s a drifter. And the townsfolk—well, the townsfolk aren’t about to trust the tall, mysterious stranger who wanders their streets, visits their dying farms, and keeps his thoughts to himself. They don’t need an out-of-towner surveying their land, hands in pockets, eyes looking at the sky. What they need is rain. What happens to Goodlands when Tom Keatley arrives is as mysterious as the elements. And what he unleashes is much more profound than a storm. There is a mystery behind this terrible drought, and a message, and its unrelenting fierceness can destroy the town of Goodlands. Tom knows this. But Karen does not. Not yet. Tom and Karen’s love affair, elemental and profound, is intertwined with the story of a town gripped by fear, and paralyzed by the sickness at its core. Suspenseful and gripping from the first page, *A Dry Spell* is a mesmerizing read.

The Thirteen

The Thirteen Susie Moloney 2011-06-07 The Witches of Eastwick meets Desperate Housewives in Susie Moloney’s The Thirteen, a Globe and Mail Best Book. Haven Woods is suburban heaven, a great place to raise a family. It’s close to the city, quiet, with great schools and its own hospital right up the road. Property values are climbing. The streets are clean, people keep their yards really nicely. It’s fairly pet friendly, though barking dogs are not welcomed. The crime rate is practically non-existent, unless you count the odd human sacrifice, dismemberment, animal attack, demon rape and blood atonement. When Paula Wittmore goes home to Haven Woods to care for a suddenly ailing mother, she brings her daughter and a pile of emotional baggage. She also brings the last chance for twelve of her mother’s closest frenemies, who like to keep their numbers at thirteen. And her daughter, young, innocent, is a worthy gift to the darkness. A circle of friends will support you through bad times. A circle of witches can drag you through hell.

Welcome to the Greenhouse Gordon Van Gelder 2011 Forty years ago, Walt Kelly's comic strip character Pogo famously intoned: "We have met the enemy, and he is us." Now, as the evidence for climate change becomes overwhelming, we learn the hard reality behind that witticism. The possible destruction, and certain transformation, of the ecosphere has been brought about by our own activities. What will our new world look like? How will we—can we—adapt? The clash of a rapidly changing environment with earth's self-styled ruling species, humans, provides ample creative fodder for this riveting anthology of original science fiction. In Welcome to the Greenhouse, award-winning editor Gordon Van Gelder has brought together sixteen speculative stories by some of the most imaginative writers of our time. Terrorists, godlike terraformers, and humans both manipulative and hapless populate these pages. The variety of stories reflects the possibilities of our future: grim, hopeful, fantastic and absurd.

The House of Tongues James Dashner 2021-10-21 The author of the New York Times best-selling Maze Runner series leads us on a dark journey of generational horror as we visit The House of Tongues. David Hoyer has spent 30 years trying to forget the traumas of his childhood. The threats, the kidnappings, the murders. The imagined crimes of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present. The House of Tongues.

Persuaded to take advantage of her unexpected liberty, she accompanies her friends for a night out on the town. A night out that ends in murder. Police Inspector Okitsu claims an open-and-shut case against a local man, suspected of being a serial killer. Sergeant Mitsu Ota disagrees. She knows the vengeful spirit Kuchisake-onna, the slit-mouthed woman, has returned. Who is right? Is there really a ghost of an abused woman killing at random? If so, why is she so interested in Jo? What does Kuchisake-onna see in the nervous, downtrodden Westerner? What parallels exist between them? And why is Kuchisake-onna interested in Jo's husband, the domineering Richard

Cartwright? Can Sergeant Ota stop Kuchisake-onna? Can she understand what motivates the spirit of the dead woman? Will she be able to save Jo? Whatever happens, Sergeant Ota is going to learn that the actions of a vengeance demon are nothing compared to the horror of domestic abuse and conforming to traditional values.
